## Inaugural Bi-Monthly Email Newsletter

Welcome to the first edition of the Elijah House Ministries bi-monthly email newsletter, which is designed to help us stay in touch with Elijah House Ministries' graduates and volunteers and anyone else who may be interested in Elijah House Ministries. We hope it will provide useful information and perhaps pique the interest of potential friends of Elijah House Ministries.

Elijah House Inc (USA) has advised they will also soon be providing a bi-monthly email newsletter called "Drops of Fire." These emails will include, among other things, Elijah House (USA) news items, upcoming events, new products, and occasional prophetic words. They will also include "Drops of Fire" (as available) - John Sandford's (and sometimes others') messages full of scriptural insight and Holy Spirit inspired revelations. You can sign up to receive "Drops of Fire" at their website, [www.elijahhouse.org](http://www.elijahhouse.org).

## Mark Sandford Seminar DVDs and CDs

DVDs and CDs of Mark's Australian seminars are now available, either individually or in sets. There are seven teachings in all, four on inner healing and three on the prophetic. Orders can be made by calling, faxing, emailing or mailing the Resource Centre, and order forms can be downloaded from the Courses and Seminars link on our website [www.elijahhouse.com.au](http://www.elijahhouse.com.au).

## Sandford Books Republished

Many of John and Paula's books are being re-published by Strang Communications. Because of this change, John and Mark Sandford have been in the process of editing the content of all 12 of the books. John and Mark are very involved in the whole process to assure the integrity of the material. The focus of the changes will make the books more attractive and useful to hurting people. Strang is doing a wonderful job with each book as they are being re-released. The new covers are beautiful, and the books are being well promoted.

By way of explanation, the classic books "Transformation of the Inner Man" and "Healing the Wounded Spirit" are being replaced with a new four-book Transformation Series. The following is a brief description of each book and which chapters of the former books will be included:

*Transforming the Inner Man* - This book introduces the core principles for transformation of the inner man, and establishes that there is a need for every believer to be transformed to reach full maturity in Christ. (Chapters 1-7 & 14 of the former Transformation book, and Chapters 13 & 16 from the former Wounded Spirit book).

*God's Power to Change* - This book deals with the wounds of the personal spirit that affect a person from within. (Chapters 1, 5-12 & 15 from the *Wounded Spirit* book).

*Letting Go of Your Past* - This book deals with the wounds of the personal spirit that are caused due to relationship problems with others... from outside. (Chapters 15-22 from the *Transformation* book and Chapter 14 from *The Wounded Spirit* book). Due early 2008.

*Transforming the Child Within: Mind, Body and Spirit* - This book focuses on the importance of nurturing a child so that as parents, grandparents, teachers and significant adults we know how to prevent wounds or 'weeds' from taking root in the 'garden' of our children's minds, bodies or spirits. (Chapters 8-12 from the former *Transformation* book and Chapter 4 from the *Wounded Spirit* book). Due mid 2008.
