### Sandra Sellmer says...

In recent communications about the upcoming seminars Sandra says, "I get more and more excited each time I think about and pray for the trip!" Her prayer is that she will "...catch the heart of God for each person, each group."

### Elijah House USA

Despite the challenges the current year has held with the global economic situation, Elijah House in the US are grateful to the Lord for an effective and productive year, and are planning their strategies to continue to provide help for the hurting around the world in 2010.

After 20 years at Elijah House, Mark Sandford is on sabbatical working on a new book, and would appreciate our prayers.

John and Paula continue to face challenges not only with Paula's advanced Alzheimer's and the cost of her care, but also with the early stages of Parkinson's that John is experiencing. They have also asked to be kept in our prayers. Their church in Coeur d'Alene has set up a fund to assist John and Paula, and donations can be made by contacting them at [admin@heartofthecitychurch.org](mailto:admin@heartofthecitychurch.org).

### Online Resources

The World Wide Web is a wonderful treasure trove, where you can spend hours following links to a gold mine of resources in the same way in times past we might spend hours in a library.

We have recently found a link to *It's a New Day*, a Christian Television website that in August this year replayed five shows with John and Paula. Willard Thiessen, who hosted John and Paula when these shows were originally aired in 1983 spoke in August about how much he and his family's lives were changed through his encounter with John and Paula and these teachings.

By clicking [here](#), these shows can be watched (click on the 'eye') or listened to (click on the speaker). Or you can go to the website [www.newday.org](http://www.newday.org) click the "watch us now" link and type "Sandford" in the *Search the Website* field at the top right hand corner. (These shows play using QuickTime. If your computer doesn't have Quicktime, it can be downloaded [here](#).)

Another link well worth visiting is the Elijah House USA blog page, [www.elihahtask.blogspot.com](http://www.elihahtask.blogspot.com), where you can read an article by John and Paula (recently revised by Mark Sandford ), *The Need for Ministry to the Depths of Born-Again Christians*.

Past copies of newsletters and email newsletters from Elijah House Ministries in both Australia and the USA are available under the *About Us* link on our website, [www.elijahhouse.com.au](http://www.elijahhouse.com.au).

Lastly, click [here](#) for links to many of the international Elijah Houses, which are available under the *About Us* links on both the US ([www.elijahhouse.org](http://www.elijahhouse.org)) and our websites. Most of these either are or can be viewed in English. It's great to see what God is doing through this ministry worldwide!
