Approved Training: Appointment of Coordinator and Progress Update

Thank you to those who applied for the position of Approved Training Coordinator, which has now been filled by Kay Bullpitt. Kay is eminently qualified and uniquely situated to work closely with both Elijah House Ministries and CALAM Training. CALAM Training is the Registered Training Organisation that has been chosen to partner with Elijah House Ministries to facilitate the offering of Certificate III in Prayer Ministry and Certificate IV in Prayer Ministry Training.

Assessment of Elijah House Ministries' volunteers' Recognised Prior Learning towards Certificate III in Prayer Ministry has been underway both in South East Queensland and Western Australia over the past few months. Volunteers in other States will be contacted by Kay Blue and Kay Bullpitt as plans are made to continue the assessment process.

Seminar Reminder: Dreams that Heal & Counsel

Final reminder for the Lindfield Ministry Centre sponsored fellowship day on Saturday, 17 May 2008 from 9am to 4pm, with Steve and Dianne Bydeley and topics such as *God Speaks Through Dreams*, *Understanding Dream Language* and *Counselling with Dreams*.

For more information, contact the Lindfield Ministry Centre on 02 9415 8911 or contact@lindfieldmc.org.

Kay Blue will also be there to answer any questions regarding Approved Training and the assessment of recognised prior learning.

Release of *Growing Pains*: Final book in the Transformation Series

The last of the four books in the new Transformation Series, *Growing Pains* is now available. This book focuses on unidentified senses of insecurity, rejection, anger, frustration, disappointment, and emptiness that have their roots in the earliest experiences of life. It helps readers to identify these roots in themselves and gives principles for awakening, repairing, and restoring to full healing — body, mind, and spirit. It also teaches parents how to prevent these weeds from taking root in the garden of their children's lives.

Growing Pains, along with *Transforming the Inner Man*, *God's Power to Change* and *Letting Go of Your Past* are all available on our website www.elijahhouse.com.au, or from the Resource Centre on 07 5492 8588.

Moving With the Times

Elijah House Ministries is embracing new technology in a number of areas:

- We have purchased our first projector and screen and trialled them at the recent Level A Course in Yeronga. The trial was highly successful and we hope to gradually acquire more projectors and screens for other venues over a period of time.

- A new Media Player has been trialled at several courses instead of a DVD Player. This technology, which uses a computer hard drive loaded with teachings from all four levels instead of 52 individual DVDs, means we will no longer have the problem of faulty DVDs interrupting the presentation of the teachings.
 - Past Elijah House Ministries video masters stored at the Resource Centre are being converted to DVD to preserve them, using a relatively inexpensive DVD/Video recorder. This means it will now be a simple task to create a DVD to order for those requesting old teachings. A list will be made available when this task is completed.
