More Updated Books

Elijah House USA have released two more updated books, which we will have available in the near future.

Restoring the Christian Family and *Renewal of the Mind* have also been updated and will be available later this year.

**"For in Him you have been *enriched* in every way
—in all your speaking and in all your knowledge." 1 Corinthians 1:5**

In recognition of the release of the updated book, *Awakening the Slumbering Spirit*, we have set out below one of the poems from the editor of that book. The poem is in the Level B Workbook.

Rise and Shine

By Norm Bowman (Editor, *Waking the Slumbering Spirit*)

*How fragile are the lines that give us life.
How short the stems—how delicate the leaves.
How subject to the winds
Of chance and circumstance.*

*We come into the world like seeds spilled
Randomly along the way.
Naked and alone, dependent on the soil of fortune
For food and warmth and nurture.
We rise from our beginnings, gasping for air
Reaching out for love and care
Moved internally by life forces beyond our knowing.
How powerful are the lessons learned
That living builds on living
Strength breeds strength
Care nurtures care
Love reaps love
Hope follows hope
And growing is a choosing.
Down within us all
There is a resilience called the grace of God.
It takes the fear from fragileness
And gives vibrancy to life.
Death is real—it stalks us daily
And walks with certain ugly pride.
But there is another side.
Beyond the darkness
Is the light of life.*
