

Elijah House Newsletter January 2009

Greetings to you in '09 from the Elijah House family!

You are receiving this email because you have had some contact with us in the past. We pray that you have been blessed by that contact and that your life reflects more of Jesus because of it.

Many of you have eagerly desired to help Elijah House in bringing healing and transformation. In the past, we have not done enough to let you know of our financial needs. Thank you for your patience! This new link is one of several steps we are taking to keep you more informed. These are very exciting times, but in the current financial recession, they are trying times as well. Here are some of the blessings we are celebrating, along with some urgent needs for the coming year:

New blessings at Elijah house:

- We have just launched our new EH Website, blogspot and web bookstore (www.elijahhouse.org), and are continuing to improve it!
- Several newly revised books were released in '08, including *Letting Go of Your Past*, *Growing Pains* and *Awakening the Slumbering Spirit*. *Transforming the Inner Man* and *Choosing Forgiveness* came out in Spanish! We also added *The Mystery of Spiritual Sensitivity*, a book on burden bearing by former EH prayer minister Carol Brown.
- ***Restoring The Christian Family*** (revised) will be released by Strang Publications in the near future! (out of print for over a year) It is one of my personal favorites because it covers Elijah House's foundational teachings so well. The revised ***Renewal of the Mind*** should be out in May!

Some of our plans for '09:

- Seminars in Colorado, Vermont, Pennsylvania, New Brunswick and California, to name a few. And we will travel to Taiwan, Japan, Austria, South Africa, and the Philippines to train and assist International Elijah Houses.
- Mark Sandford will finish revising his parents' books and begin writing a series of his own!

Projects we cannot do without your help

- Create study guides for The Transformation Series (4 books by John and Paula Sandford): *Transforming the Inner Man*, *God's Power to Change*, *Letting Go of Your Past*, and *Growing Pains*
- Film the "Tell Your Heart to Beat Again" seminar (teachings on healing for trauma) on DVD and create workbook
- Finish developing and film other new seminars
- Film new teachings on CD's DVD's
- Film a promo DVD, promoting our vision and mission
- Reach more people with schools, seminars, and mentoring for groups.
- Increase our Communications/ Development Department staff.
- Raise funds to respond to invitations:
 - From Israel to teach transformation and healing of the heart
 - From the nations of Uganda, India, the Philippines and others in Asia and Africa who cannot afford to have us come

Help us spread the word

Will you pray and consider a gift to Elijah House today? Due to the recession, revenue for the past two months has been down over 20% during a season when we normally gain a cushion for the slower months to come. We currently need an additional \$25,000 just to meet our current financial commitments. We are trusting God for more.

If you have been blessed by this ministry, please consider a gift so that we can continue bringing healing and transformation to many. Simply call us at 509-321-1255 or write us at 317 N Pines Rd, Spokane Valley, WA 99206.

Thank you and may God bless,

Robert Fetveit, Exec. Director, Elijah House, Inc.
