

Elijah House Ministries is a non-profit ministry founded in 1975 by John & Paula Sandford with the mandate to restore the hearts of the fathers to their children, and the hearts of the children to their fathers Malachi 4:5-6 and Matthew 17:11. We offer Prayer Ministry as well as schools and Internships to help the body to be equipped for the challenges of ministry today. For more information see our website @ [www.elijahhouse.org](http://www.elijahhouse.org).

We can hardly keep up with the requests for ministry in all the areas of writing, teaching and prayer ministry!

*Seminars:*

Since January our EH teachers have spoken at seminars in eight states as well as Austria, Malaysia, Taiwan and Japan. Our schedule is already full for 2008 and we are now booking seminars into 2009 and 2010!

Our newest seminars:

"Tell Your Heart to Beat Again - Healing from Trauma"

"Strategic Prophetic Warfare and the Body of Christ"

Both of these seminars will be filmed and available for purchase sometime next year.

*Schools:*

Our training department has gone to a new level! 60 "Video Facilitated Schools" are running this fall in the U.S. and Canada. New leaders are being trained and released!

Both Basic I and Basic II schools in May and July were awesome! They were taught live by a variety of Elijah House teachers. Students came from many denominations and several nations and cultures. Watching a cross section of the Body of Christ come into unity and healing is always a tremendous blessing!

Our next live schools will be the "Prophetic School," taught by Mark Sandford and Robert Fetveit, September 13-17 in Vienna, Austria and October 6-11 in Spokane, Wa. Video schools may be held through facilitators who attend a live school and submit an application.

*Prayer Ministry and Internship:*

A steady stream of people continues to seek prayer ministry. Many lives are blessed and hearts are healed! Our prayer ministers also train interns in what is undoubtedly the best such program available.

*International Elijah Houses:*

Our international influence continues to spread, with more requests than we can answer! Thus far, there are Elijah Houses in: Australia, Austria, Finland, Japan, Malaysia, New Zealand and Taiwan. By the end of the year an EH team will have visited them all. Although they are autonomous, we continue to mentor and pray for each one.
