What Others Have Said

"As a Christian psychologist, I went along to my first Elijah House Course with interest and the anticipation that I could learn a few new skills. What I heard and experienced profoundly changed my life and changed forever the way I practice my profession. I heard Scripture opened up with such wisdom and clarity that I knew I found what I had been searching for my whole life. All that I had learnt about psychology was contained in the Scriptures but in FULLNESS. My understanding of the human condition was transformed and I knew I was listening to Truth. The personal ministry I received was tender and filled with compassion and the effects of it still continue. I cannot recommend Elijah House Courses too highly."

- Kerry Hitzke, Psychologist, Lutwyche QLD

"The understanding I've gained through the Biblical based teachings of Elijah House Ministries has been the most useful pastoral tool I have ever come across. Rather than simply offering prayers of comfort for people in distress, these teachings give the pastoral carer insight into the root causes of problems, and therefore have the potential to bring real change. When applied, these teachings can bring the wonderful healing power of forgiveness into a person's life, in ways and to depths they may never have imagined possible or realised was needed. At it's heart, Elijah House Ministries is really about changing the person; to use the old-fashioned biblical term, it is about sanctification. This is desperately needed, I believe, in all branches of the Christian Church."

- Rev. Jan Rossow, Childers QLD

"The course has set me free. It has taught me to listen, to wait for the Holy Spirit, to receive God's love, to pray continually, to hand everything over and not to strive, and to understand the full significance of the cross."

What is Prayer Ministry?

Prayer Ministry is the prayerful, social and spiritual dialogue between a prayer minister and a participant with the aim of providing understanding and choices for personal growth and healing.

The Course

Prerequisite

First time students need a reference from their Pastor or an Elijah House Ministries graduate, and a signed Release and Indemnity (forms provided when application received).
