
What Others Have Said

“As a trained psychologist working with Christians and non-Christians, I have found the principles that Elijah House teaches a valuable tool in the healing process.”

N.B. Sydney

“I initially attended an Elijah House course with a view to adding another tool to my pastoral ministry skills. I came away with all that and more. Not only did I discover a profoundly insightful, biblically based and effective means of helping people deal with the root causes of problems in their lives, but in the process came face to face with my own woundings and the deep affect they have had in my life. Why was I angry so often? Why did I always have to ‘get it right?’ Why could I not allow others to get close to me? With God’s help I uncovered the ‘roots’ of these things in my life and learned the true power of the Cross in setting me free from their influence and restoring my relationships with God and with others. This is something for every Christian person to know and experience.”

Rev Bill Guttormsen
Anglican Priest, Thornlands QLD

“Wonderful course. It has helped me to deal with issues that I have buried. It has given me the faith and strength to move forward to serve God.”

Seminars

What is Elijah House Ministries?

Elijah House Ministries Australia is a non-profit interdenominational Christian training organisation for Prayer Ministry that has presented courses across Australia since 1991.

Mission

To call and equip God's people in prayer ministry to heal relationships.

Aims

Elijah House Ministries aims to serve the Christian Church by training graduates to provide prayer ministry to the body of Christ.

The Founders: John and Paula Sandford

After pastoring for more than 20 years, God called John and Paula to a new ministry, to write, teach and minister in prayer. In 1974 they established Elijah House Inc., a ministry based firmly on Biblical principles. From its base in the US, Elijah House Ministries has grown to be internationally recognised for teaching, training and ministering to thousands every year. Elijah House Ministries Australia was formally established in 1992 and continues to bring hope to lives and restoration to relationships.

"...restore all things."

Matthew 17:11
